TAKE pleasure in announcing to my old friends and customers that after an absence of two years, l'HOTOGRAPHIC ART in all its branches, having purchased the interest of my brother in the old established Gallery in Union street, and having spent four
months in New York the past Summer to obtain fully
all the late improvements in the art. I have painted,
renovated and enlarged the saite of Rooms throughout.
That my facilities are now better to produce firstclass work than most Galleries can boast o, and conduce to the comfort of our patrons. I trust not only
to sustain the proud position the Gallery has heretofore sustained, but to elevate it o a still higher standard. I have also engaged the services of Mr. COOK,
one of the best Photographers in the world, who took
the Pictures which obtained the first premium at the
World's Fair in London, in 1851, and I am determined
not only to make this the leasing Gallery in the State,

not only to make this the leading Gallery in the State but my work shall not be surpassed North or South, and now introduce to the public the following new tyles: Imperial Phothgraph, India Ink, Vigenette, plain or colored, Ivorytypes, Pastel Portal Pictures, life size, Photographs on Canvass, life size, Visiting Cards, full length plain, Autograph Photographs, 18 taken at one sitting. Storeoscopes, on glass or paper, I still continue to make the Melainotype and Am I still continue to make the Melamotype and Amborotype as herectore. The above styles are all entirely new in this city, except the Autograph Card, when but one made at a sitting. All who are in want of anything in my line are politely invited to give my a call before visiting elsewhere, when I will prove by occular demonstration the above facts.

Respectfully,
